stills / art department photography

A close-up shot of two hands holding a black and white photograph. The photograph depicts a woman with dark, wavy hair and a prominent mustache. The hands are positioned to hold the photo steady, with fingers visible on the left and right sides. The background is blurred, showing indistinct shapes and warm, golden light, suggesting an indoor setting with soft lighting. The overall tone is somber and focused on the subject of the photograph.

Well groomed hair and nails, nice clothes.
